Merbeth, Wiebke | Wiebke Merbeth is a constituent member of the Federal Government's Sustainable Finance Advisory Council. The advisory board, which was launched on 6 June 2019, advises the Federal Government on its path to becoming a leading location for sustainable finance. Wiebke is convinced that "Engagement and Voting are the key driver for responsible investing. As sustainability risks are business risks and have a direct impact on the financial performance of companies, there is no way around recording sustainability risks, internalizing them into risk management and implementing transparent reporting." Wiebke Merbeth is a partner at Deloitte, strategy consultancy. As an expert in sustainable finance, Merbeth helps to shape the sustainable transformation in the best possible way. She has over 15 years of experience in the financial industry, with positions at the asset managers of HSBC and BayernLB.

Prache, Guillaume | Guillaume Prache is the Managing Director of BETTER FINANCE, the European Federation of Investors and Financial Services Users. He is also one of the experts representing financial services users before the European Commission (as former member and vice chair of the Financial Services User Group – FSUG), before the European Securities & Markets Authority (as member and former chair of the ESMA Securities & Markets Stakeholder Group), before the European Insurance and Occupational Pensions Authority (as member of the EIOPA Insurance and Reinsurance Stakeholder Group) and before the French financial regulator AMF. He started as a magistrate at the French Court of Auditors and has an extended and international experience in financial matters, as Chief Financial Officer of US-based Rhône-Poulenc Rorer, Inc., a "Fortune 500" publicly listed pharmaceutical company (today Sanofi) from 1997 to 2000, and as Managing Director of the European subsidiary of the Vanguard Group, Inc., a global leader in asset management, from 2000 to 2006. He has taught asset management for the CIWM (Certified International Wealth Manager) program and wrote two books (and various articles on economics and finance).

Regierer, Christoph | Dr Christoph Regierer is an auditor, tax adviser, and lawyer, and has been a partner at Mazars since 1999. In 2015, he was elected to the Executive Board of Mazars Germany and the Group Executive Board (GEB) of Mazars Global. He received his doctorate in 1998 at the Christian Albrechts University in Kiel at the chair of Erich Samson on the subject of accounting offences. Christoph Regierer serves in an honorary capacity at the Institute of Chartered Accountants (IDW) and the working group of the German Supervisory Board AdAR. e. V. He is also a lecturer at the Free University of Berlin in the subjects of finance, accounting, and taxes. His outside activities include serving as treasurer of the Humboldt Universitäts-Gesellschaft (HUG), the Förderverein der Humboldt Universität Berlin (university support association), and the Institute of Electronic Business (IEB).

Riess, Rainer | Rainer Riess is Director General of the Federation of European Securities Exchanges (FESE) and an independent advisor to exchanges and financial services companies with more than 30 years of experience in the global exchange industry. He is also Vice Chair of the Securities and Markets Stakeholder Group (SMSG) which provides ESMA with opinions and advice on its policy work. For many years, he served as Vice Chairman of the Board of the Frankfurt Stock Exchange and was responsible for the cash market business of Deutsche Börse AG. During his career at Deutsche Börse, he created and managed markets, drove changes in European corporate governance and accounting practice, financial market regulation and supervision of market player. He is a Member of the Board of Trustees of the English Theatre Frankfurt and several charitable organisations. He holds a master's in economics from Johann Wolfgang Goethe University in Frankfurt and an MBA from the University of Miami (Fulbright Scholar).

Ross, Verena | Verena Ross is the Chair of the European Securities and Markets Authority (ESMA). She took up the role on 1 November 2021 and is responsible for representing the Authority as well as preparing the work of and chairing its Board of Supervisors and Management Board. Between 2011 and 2021 Verena Ross served as ESMA's first Executive Director, when she was responsible for building up the organisation and overseeing its day to day running. Prior to this, Verena held a number of senior posts in the UK's Financial Services Authority (FSA) and was a member of the FSA's Executive Committee. Verena joined the FSA in 1998 to run the Executive Chairman's office during the regulator's start-up phase and was briefly a seconded advisor to the Hong Kong Securities and Futures Commission in 2000. She held various positions in the FSA's Markets Division and was Director of Strategy & Risk Division before becoming Director of the International Division. Verena is a German national. Following studies in Sinology and Economics in Hamburg, Taipei and London (SOAS) she began her career at the Bank of England in 1994, where she worked as an economist and banking supervisor.

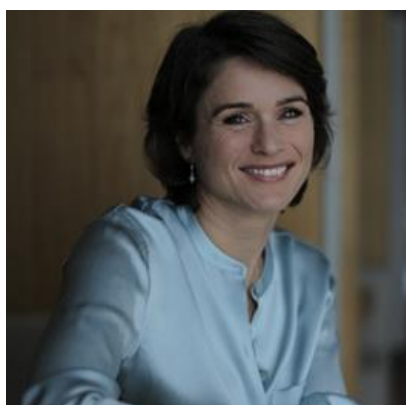

Rotsch, Friederike | Friederike Rotsch has been Group General Counsel of Merck since 2014 and is responsible for legal affairs as well as compliance, data protection, trademarks and non-technical property rights. Previously, she was Head of Internal Auditing and held various positions in the legal department of Merck. She studied and earned her doctorate at the University of Passau and the University of Wales/College of Cardiff. Before joining Merck, she worked for an international law firm in Frankfurt/Main and Düsseldorf.

She is also Chairwoman of the Legal Committee of the Federation of German Industries (BDI) and Deputy Chairwoman of the Legal Committee of the German Chemical Industry Association (VCI). She is a member of the sponsorship committee of the Business and Law Working Group of the Donors' Association for the Promotion of Sciences and Humanities in Germany (Stifterverband für die Deutsche Wissenschaft) and of the executive committee of the German Association of Corporate Lawyers (Bundesverband der Unternehmensjuristen). She is also a member of the European General Counsel Association (EGCA).

Rüdiger, Michael Martin | Michael (born in 1964) started his professional career in 1983 as a bank trainee. He went on to study at Justus Liebig University in Giessen, Germany and graduated in Business Studies. Michael joined 1989 the trainee programme of Hoffmann-La Roche, Basel, Switzerland. Following numerous activities in banking and finance Michael had been CEO of DekaBank Deutsche Girozentrale and a member of the Board of Management of the German Savings Banks Association, Berlin from November 2012 to December 2019. Since January 2020 Michael works as an independent advisor. He is a member of the Supervisory Board (and Chairman of the Audit Committee) of Evonik Industries and a member of the Supervisory Board of the German Cancer Aid Foundation. In May 2020 he was elected member of the Supervisory Board of Deutsche Börse, in July 2020 he was appointed Chairman BlackRock Germany, Austria & Eastern Europe (and Chairman of the Supervisory Board of BlackRock Asset Management Deutschland AG, Munich).

Sapiro, Ulrike | Ulrike Sapiro is Chief Sustainability Officer at Henkel AG & Co. KGaA, an internationally operating DAX-40 company based in Duesseldorf, Germany, and active in consumer products for laundry and personal care as well as industrial technologies with high-tech adhesives and sealants. In her role, Ulrike reports to the board and - together with her team - develops and oversees corporate sustainability strategy, governance, reporting and disclosure as well as external and internal engagement. She is working closely across the business on implementation and ESG data management program. Prior to joining Henkel, Ulrike spent 13 years in several sustainability leadership roles at The Coca-Cola Company on global and European level. Before joining Coca-Cola, she held sustainability and external affairs roles at RWE Thames Water, a UK-based private water and wastewater company. Ulrike holds a master's degree in political science from the University of Munich. In 2022, she was recognized as one of the Global Top 100 Sustainability Leaders.

Speich, Ingo | Ingo Speich was appointed Head of the Sustainability and Corporate Governance department at Deka Investment in April 2019. Prior to joining Deka, Ingo was a Senior Portfolio Manager at Union Investment from 2004, most recently as Head of the ESG Capital Markets & Stewardship team. After an apprenticeship at Dresdner Bank, Ingo studied business administration at the University of Trier and Boston University. Ingo is a CFA Charter holder and completed the Executive MBA Program at the European Business School Oestrich-Winkel and Durham University. Ingo Speich is a board member of the Deutsche Vereinigung für Finanzanalyse und Asset Management (DFVA) and lecturer at the EBS Business School/Finance Academy on the subject of "Sustainable Investments". Ingo is a member of the BVI's "Corporate Governance Working Group" and the Schmalenbach-Gesellschaft's "Corporate Governance Reporting" and "Sustainable Finance" Working Group. He was a member of the advisory board "Sustainable Finance" of the German Federal Government and the consultative working group "Consumer Protection and Financial Intermediaries" of the EU supervisory authority ESMA/Paris.

Schmid, Daniel | As SAP's Chief Sustainability Officer, Daniel Schmid is globally responsible for sustainability at SAP SE since 2014. Daniel Schmid started his career in CRM consulting and held various senior management positions within SAP Consulting before joining the sustainability leadership team established in 2009 to start SAP's sustainability journey and lead the Sustainability Operations team. He is Chairman of the Board of econsense, the sustainability network of German business. Schmid holds a degree in industrial engineering from the University of Kaiserslautern, Germany.

Stickler, Claus | Claus Stickler is Managing Director and Global Co-Lead of Allianz Investment Management (AIM) since January 2017, where he previously served as Global Chief Operating Officer. With a portfolio of around 850 bn EUR (31.12.21), AIM is responsible for the investment of all insurance portfolios within Allianz Group. Since 1999 and until 2008 Claus Stickler held various senior management positions at Allianz Asset Management and Allianz Global Investors (asset management companies of Allianz Group). From 1993 to 1998, Claus Stickler worked for McKinsey & Company, most recently as an engagement manager. He holds a master's degree and a PhD in economics. Claus Stickler is member of various sustainability oriented working groups, e.g., of the Sustainable Finance Advisory Board of the German Federal Government, the EU High Level Expert Group on scaling up sustainable finance in low- and medium-income countries, the strategy team of the UN Initiative Global Investors for Sustainable Development (GISD) and the advisory board of EPICO, a think tank focused on energy and climate policy and innovation.

Thomas, Ralf P. | Prof. Dr Ralf P. Thomas has been Chief Financial Officer and a member of the Managing Board of Siemens AG since 2013. He is also Chairman of the Supervisory Board of Siemens Healthineers AG and a member of the Supervisory Board of Siemens Energy AG. After studying economics and business administration, Ralf Thomas earned a doctorate in 1994 with a dissertation in the field of accounting-related tax law before beginning his career at Siemens AG. In 1999, he became Head of the Accounting, Controlling and Treasury Department at Siemens in South Africa. He was named CFO of Siemens Medical Solutions' radiology unit in 2002 and later took on responsibility for the Corporate Finance – Accounting, Controlling, Reporting & Taxes Department at Siemens AG. Thomas became CFO of the Industry Sector at Siemens AG in 2008. Most recently, in 2013, he was appointed to the Managing Board of Siemens AG. Since 2019, he has also been Chairman of the Stock Exchange Committee of Experts (Börsensachverständigenkommission), which advises Germany's Federal Ministry of Finance, and he has been an honorary professor for economics and business administration at Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU) since 2018.

Thyblad, Tomas | Tomas is the Vice President and Head of ESG Solutions, European Markets for Nasdaq, where he is responsible for coordination of initiatives and the tactical and strategic work around offerings in the Environmental, Social, and Governance area. Tomas is also a board member of Sustainable Finance Lab – SWEDEN (a transdisciplinary research centre for capital market transformation). Tomas has previously held various positions within Nasdaq, such as Head of Treasury for the Non-US entities, Chief Risk Officer in Nasdaq Clearing, as well as Head of Financial Risks and Treasury Operation in EMEA / APAC. Before joining Nasdaq, worked within the Central Bank of Sweden (Sveriges Riksbank) in various positions, such as Head of Market Operation / Chief Dealer as well as Head of Market Operation and Reserve Management Division.

Tüngler, Marc | Born in 1968, Marc Tüngler is a lawyer and started to work for German Association for Protection of Security Holdings (Deutsche Schutzvereinigung für Wertpapierbesitz e.V., DSW) in 1999. For the German Association for the Protection of Security Holdings, Mr. Tüngler was managing director North Rhine-Westphalia until 2007, managing director Germany from 2007 until 2011 and has been appointed as Chief Managing Director in 2012. Mr. Tüngler is a member of the Government Commission on the German Corporate Governance Code (Regierungskommission Deutscher Corporate Governance Kodex), member of the board of Working Group German Supervisory Board (Arbeitskreis deutscher Aufsichtsrat e.V., AdAR) and the council of Düsseldorf Stock Exchange. Furthermore, he is chairman of the supervisory board of freenet AG and member of several other boards.

Ursch, McKenzie | McKenzie Ursch obtained a Bachelor of Laws from Tilburg University in 2017 and graduated cum laude with a Master of Laws from the Vrije Universiteit Amsterdam in 2022. He joined Follow This as Head of Legal in 2020, where he oversees legal operations at the Amsterdam-based shareholder advocacy organization, managing the drafting and filing of climate resolutions and international oil majors, defending these resolutions, engaging with investors, oil companies and partner organizations to advocate the Follow This message and build support to increase the vote at companies' AGMs.

von der Linden, Klaus | Dr Klaus von der Linden has also been appointed Partner. He has been with Linklaters since 2007 and advises primarily on stock corporation and corporate law. He specializes in advising management boards and supervisory boards, public general meetings, directors' and officers' liability, corporate litigation, corporate governance, public takeovers as well as capital, structural and transformation measures.

Winkeljohann, Norbert | Prof. Dr Norbert Winkeljohann has been Chairman of the Supervisory Board of Bayer AG since April 28, 2020. Winkeljohann has been a member of the Supervisory Board since May 2018. Norbert Winkeljohann studied business administration and economics at the Westfälische Wilhelms University in Münster in 1978, graduating with a degree in business administration. He then continued his academic education at the Department of Accounting, Taxes and Auditing of the University of Hagen, where he received his doctorate in economics. Since 1986, Winkeljohann initially worked as an audit assistant in the bank auditing section, then as a tax consultant in the area of international tax until 1992. In 1993 he worked as a tax and management consultant in London and joined the then auditing company PricewaterhouseCoopers AG as a partner in 1994, before being appointed to the Board of Management in 1999. From 2010 to June 2018, Winkeljohann was Chairman of the Management Board of PricewaterhouseCoopers GmbH, Chairman of the Board of Management of PricewaterhouseCoopers Europe SE and member of the Network Leadership Team of PricewaterhouseCoopers International Limited. Since July 2018 he has been working as an independent management consultant. Since 2010 Winkeljohann has been an honorary professor at the University of Osnabrück and since 2017 at the Goethe University Frankfurt.
